During the upcoming season, the Athletic Departments of Minneapolis Public Schools will be releasing your child’s name and images for many reasons including but not limited to team rosters, promotional materials, game footage, team pictures, as well as information for College Recruiters if appropriate. This information may be used or shown on Websites/Radio Stations/Television Stations/School Event Programs/Posters/Brochures and/or Newsletters. Student/athletes are expected to have a completed Minneapolis Public Schools Media Release Form on file at their school.

Athletic Equipment Agreement:

I agree to take part in athletics and agree not to hold the school or its representatives responsible for injuries which may be incurred through such participation. I will also be responsible for the return of any equipment/uniforms loaned from the athletic department and will reimburse the school should such articles not be returned when called for. **MSHSL bylaw 208.00 forbids the use of High School uniforms for the off-season. A \$10.00 late fee may be assessed for equipment not turned in within 10 days of participation in that sport. This starts with the date of the last competition**

Transportation Agreement:

The athletic department reserves the right to require all athletes to ride to and from each athletic event with a coach. If for any reason the athlete is unable to ride with the team from an event the athlete’s parents/guardian must complete a Minneapolis Public Schools Transportation Waiver Form and submit to the school’s athletic director in writing 24 hours before the event.

Employee Student Relationships:

The Minneapolis Public School District is committed to an educational environment in which all are treated with respect and dignity. Each District employee is expected to exercise good judgement and professionalism in all interpersonal relationships with students. Such relationships must be and remain on an employee-student basis. Complaints and/or concerns regarding conduct of any employee will be addressed by the District. Students and parent/guardians should report complaints or concerns to the building Principal, the building athletic director, or other trusted staff.

District Athletic Participation Fees:

Minneapolis Public Schools charge one of the lowest participation fees in the Twin City Metro area. These fees are used to offset athletic costs which includes equipment and supplies, replacement uniforms, and uncovered expenses. Students and/or parent guardians are asked to consult with their school athletic director if they are not able to pay these fees. A participation fee refund request will be honored only if the student, through no fault of his/her own, cannot continue with the activity. No refund will be provided in the case of quitting a team or being dropped from a team because of disciplinary action. The allowable reasons for a refund include: a crippling injury or a transfer before the 1st contest out of the district. In any case, the refund will be a prorated amount up to midseason. There will be no refunds once midseason has been reached.

Dear Parent or Guardian:

During the school year, the news media may visit your school to cover special events and Minneapolis Public Schools may wish to use your child's photograph, voice or student work for promotional and educational reasons, such as in publications, posters, brochures and newsletters; on the district or school web site, radio station or Cable TV channel; or at community fairs.

In addition, you may want your child's picture in your school's yearbook. Having a picture taken at school is not enough to ensure that your child's picture will be in a school yearbook. Your permission is required.

Because of state law, a school must obtain your permission before your child's photograph or voice can be used for either purpose. Your permission once given will be in force as long as your student is continuously enrolled in a Minneapolis Public School or until you inform the school that you withdraw your permission.

Please sign and return this page stating whether you give permission to use your child's photograph, student work or voice for either or both of these purposes. You may decide to give permission for both purposes or for only one purpose.

If you do not return this form your child's photograph will not be used by the media and will not appear in the class section of the school yearbook.

Thank you for your cooperation. **Check all that apply and please sign your name below.** You may choose to check one, both or neither of these boxes.
